MARK HANNA (Good & Reese, 1930): A new Decorative Dahlia that is without question the best red Dahlia on the market today. No Dahlia in our fields has ever attracted more attention, and elicited more worthy comment, than Mark Hanna. The flowers are of the same shade as the popular Richard Geranium—brilliant vermilion red. The plant is sturdy and of tall growth. Mark Hanna easily attains a diameter of 12 to 13 inches across when properly grown. Mark Hanna is a Dahlia that is destined to rank among the world's finest. The NEW Korean Chrysanthemum

(Chrysanthemum Coreanum)

A remarkable new perennial of iron-clad hardness from Korea, forming fine, large clumps 2 to 3 feet in both height and diameter. The large white flowers have golden centers, resembling a glorified Oxeye Daisy; the petals often turning to a light claret pink. It blooms in the greatest profusion in late October to early December, and is destined to become a profitable cut flower subject for the florist. Excellent one-year-old plants from 2½-inch pots, \$7.00 per 100, \$60.00 per 1000.

Ferns

(From 2¼-inch Pots)

We annually grow 200,000 2¼-inch Ferns for spring and summer delivery, and are the introducers of Roosevelt and Teddy, Jr., two of the best types. We urge you to place your order early—We predict a shortage this year.

Roosevelt, Teddy, Jr., Boston, Dwarf Boston, Whitmanii, Whitmanii Compacta, Scholzell, Scottii, and Goodi—2¼-inch pots, \$6.50 per 100, \$60.00 per 1000.

FERNS (From 3-inch Pots)

\$15.00 per 100, \$140.00 per 1000.

Roosevelt, Teddy, Jr., Colorado, Whitmanii Compacta, Boston and Dwarf Boston.

FERNS (From 4-inch Pots)

\$25.00 per 100, \$225.00 per 1000.

Roosevelt, Boston, Dwarf Boston and Whitmanii.

New Buddleia Alternifolia

This is the hardest "Butterfly Bush" yet introduced. Only once in a lifetime do we find a new shrub of so outstanding merit as this. While other Buddleias freeze down to the ground every winter, and during the summer grow to a height of five or six feet, being too large for a perennial border and not suitable for among shrubs, this wonderful new Buddleia DOES NOT FREEZE DOWN in the winter, but is just like other shrubs, filling a long-wanted place for Buddleias. It is a very distinct and charming sight while in bloom, with its long arching or pendulous branches covered with clusters of lilac-purple flowers from mid-summer until late fall.

Strong plants from 2-inch pots, \$1.50 per 12; \$10.00 per 100; \$80.00 per 1000.

The NEW Fern Colorado

The most beautiful Fern sent out in years. It has proven itself much truer to form than other Ferns of this type. It is an important improvement on Whitmanii, as hardy and sturdy as the Boston, a faster grower than any other Fern and makes a better formed plant. 2¼-inch pots, \$1.10 per 12, \$7.50 per 100, \$70.00 per 1000.

Hardy English Ivy

Evergreen with dark glossy leaves. 2¼-inch pots, \$5.50 per 100, \$50.00 per 1000.

New Oriental Poppies

For the first time, we are in position to offer in quantity a selected list of new varieties, each one of which is distinctly superior.

FLANDERS—Considered one of the best new oxblood red varieties, a rare new shade in Poppies. \$3.50 per 12, \$25.00 per 100.

LULA A. NEELEY—This variety is our favorite. Good, strong stems support flowers of brilliant oxblood red, the color holding until the last. We predict this variety will become the most popular Poppy in America within a few years. \$3.50 per 12, \$25.00 per 100.

MASTERPIECE—A new silvery pink Poppy of great beauty. An excellent keeper when cut. \$5.00 per 12, \$35.00 per 100.

MRS. PERRY—Although this Poppy has been on the market for several years, it is not widely distributed. A bright, clear pink color combined with vigorous growth makes Mrs. Perry one of the most beautiful varieties. \$1.50 per 12, \$12.00 per 100.

ORANGE QUEEN—We offer a selected type of this popular orange variety. Vigorous in growth and very early. \$1.20 per 12, \$8.00 per 100.

PROSERPINE—Of the scarlets, Proserpine, with its striking buds, heavy stems and massive flowers, is undoubtedly the best. You cannot be without this brilliant variety. \$2.25 per 12, \$15.00 per 100.

TRILBY—Enormous flowers of cerise scarlet. Very scarce and among the leaders. \$3.50 per 12, \$25.00 per 100.

WURTEMBERGIA—A striking flower of great size and substance. Brilliant scarlet in color. \$3.50 per 12, \$25.00 per 100.

California Grown Boxwoods

We offer an exceptionally fine stock of perfectly trimmed plants, grown expressly for us by California's leading boxwood growers, The Roy F. Wilcox Co. The variety used is Japonica, undoubtedly the hardest of the boxwoods. Each size is offered either balled or burlapped, or in High Grade Tubs painted green.
